The who's who of the party circuit in the Capital thronged the Playboy Club to attend the much-awaited HT City Club Fashion Nights 2019 recently. And what set this rager apart from a regular fashion show was free-flowing drinks, sumptuous hors d'oeuvres and electrifying beats belted out by the in-house DJs. Even as the party continued till the wee hours, the club was abuzz with energy and some of the most good-looking guests.

## An evening to celebrate sparkle and shimmer

This evening was not just a celebration of glamour and style but also about raising a toast to the work and contribution of people working behind the scenes in the fashion world. And, on the occasion, designer Rahul Singh paid tribute to his assistant, Kasim Khan. Despite the dipping mercury on Friday evening, party regulars gathered at the do, which was held at Playboy Club at the Hotel Samrat as

part of HT City Club Fashion Nights 2019, presented by Rajjigandha Pearls. With the lights and music creating a perfect atmosphere, the spotlight was soon turned to people or the force who work quietly in the background with some of the country's top fashion designers. And as the curtains went up on designer Rahul Singh, he acknowledged the work of Kasim Khan as the man who remains with him

every bit of the way — helping him — from the drawing board stage to the showcasing of silhouettes on the ramp. To a loud applause from the crowd, Kasim Khan received a token of appreciation and a gift hamper. A sparkling salute indeed that's just in line with what Rajjigandha Pearls believes in — 'Achchai ki ek alag chamak hoti hai.
